Geography, Historical.

Under this heading are entered general works
which show the extent of territory held by differ-
ent states and nations at different periods in the
world's history.

Works limited to a particular country or region
are entered under the name of that country or re-
gion as a subdivision under Geography, Historical
(e.g. Geography, Historical. U.S.)

The term Historical geography is sometimes used
in the sense of Anthro-geography. Works of this
character are entered under Anthro-geography,
and Man. Influence of environment.

Geoponica.

The work known under the title Geoponica is a com-
pilation of agricultural works, based upon an older
compilation by a Cassianus Bassus Scholasticus, dedi-
cated to Emperor Konstantinos Porphyrogenetos VII
about 950 and erroneously held to be that Emperor's
work. In 1395 the Geoponica were published under the
title Geoponica sive Cassiani Bassi Scholastici De re
rustica eclogae. Rec. H. Beck. Lipsiae. B.G. Teubner. In

Georgia. Dept. of natural resources.

Established March 5, 1937.

Under this act the office of Commissioner of
the Department was created and four integrate
divisions of the Department were established as
follows: Division of forestry; Division of mines,
mining and geology; Division of state parks,
historic sites, and monuments; and the Division
of wild life. Each of these divisions is headed
by a director, and the directors, with the
commissioner, comprise the Administrative Staff.
